MORTON WILL RUN ON FREE SPEECH PLATFORM

Defends Daniel, Objects to Having Bryan Stuffed Down Throat and Opposes Instructions.

ATTACK ON CITY COMMITTEE

Member, However, Scouts Fears of East End Politician—Number of Delegates.

Declaring for an uninstructed delegation, warmly defending Senator Daniel and plainly expressing opposition to Bryan for President, Mr. W. Waller Morton, a former member of the City Council and a prominent Richmond business man, announced yesterday that he would be a candidate for the Democratic convention from the Second Precinct of Lee Ward.

"I am thoroughly disgusted with the effort to choke Bryan down the throats of the people whether they want him or not," said Mr. Morton. "I do not propose to stand for this. I am for Bryan, and I am asking the support of the people of my precinct on this platform. I will go to Roanoke. If elected, at my own expense, and as a delegate independent of obligation to any candidate, and so I will like to have the Virginia delegation sent to Denver."

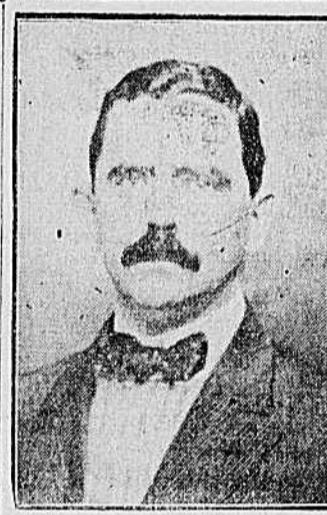

Two other candidates for the convention announced themselves last night—Harry P. Garber, son of Councilman Garber, and J. Harry Lawder. Both are from the First Precinct of Marshall Ward, and both have paid their assessment of \$2.50 to Treasurer Barney Bowman.

Jumps on Committee. Charges were made by a well known politician of the East End last night to the effect that for certain reasons the city committee was keeping quiet the fact that all candidates for the convention must pay their assessment of \$2.50 to the treasurer before 12 o'clock to-morrow. In those precincts where a sufficient number of candidates do not offer and qualify, the committee, he declared, will be in a position at the last minute to put in its own slate, or at least to slip in men whose views are known to the committee.

Mr. Clyde Saunders, an active member of the committee, flatly denied last night that there was any such intention on the part of the committee. "I do not know that I am authorized to defend the committee, or that the committee needs any defense," said Mr. Saunders, when told of the nature of the charges. "The State committee met in Richmond on Tuesday night and fixed the allotment. We had a conference with the Henrico authorities on Thursday morning from the representation from the annexed territory, and the city committee met on Friday night. I think every one will agree that we acted with all possible haste. If candidates do not choose to offer for the convention, I do not see that that can be charged to the committee, but I believe that when the lists close at noon on Wednesday there will be a full quota of candidates from every precinct."

Must Pay by Noon To-Morrow. All persons expecting to figure in the coming primary, whether as Mayor, Councilmen or delegates to the convention, must settle their assessments before the clock strikes 12 to-morrow, or they are out of the race. Mr. Bowman, the treasurer, may usually be found at No. 15 South Thirteenth Street on Wednesday morning from 10 to 12 o'clock, the last two rush hours, he will transfer his headquarters to the office of City Chairman James B. Docherty in the basement of the Capitol.

Some confusion exists in the minds of many as to the number of delegates assigned to Richmond at the convention. The city will have forty-one seats in the State body. By the vote for Parker in 1904, Richmond is entitled to thirty-seven delegates. In that election seventy-four Parker votes cast a free Third Precinct of Marshall Ward were thrown out because the judges failed properly to sign the poll books. Though these ballots were not counted in the election returns, the State Committee decided that this would not be done in the convention, and therefore one extra delegate was allowed here. By

W. WALLER MORTON.

the annexation of Henrico territory a large section in the West End, containing most of the voters of what was Shumaker's Precinct, came into the city, and became Fourth Clay, and this new precinct was held to be entitled to the two votes formerly given to Shumaker's. In the East End a large territory was annexed, with votes from Howard's Grove, Hardin's Shop, Baker's and other precincts, though no entire precinct was taken in. One extra delegate was therefore allowed to Richmond on account of this large extra population, formerly voting in the county.

Division of Delegates. Clay Ward—First Precinct, 2 delegates; Second Precinct, 2 delegates; Third Precinct, 2 delegates; Fourth Precinct, 2 delegates.

Lee Ward—First Precinct, 2 delegates; Second Precinct, 2 delegates; Third Precinct, 2 delegates; Fourth Precinct, 2 delegates.

Henry Ward—First Precinct, 2 delegates; Second Precinct, 2 delegates; Third Precinct, 2 delegates; Fourth Precinct, 2 delegates.

Monroe Ward—First Precinct, 2 delegates; Second Precinct, 2 delegates; Third Precinct, 2 delegates; Fourth Precinct, 2 delegates.

Madison Ward—First Precinct, 2 delegates; Second Precinct, 2 delegates; Third Precinct, 2 delegates; Fourth Precinct, 2 delegates.

Marshall Ward—First Precinct, 2 delegates; Second Precinct, 2 delegates; Third Precinct, 2 delegates; Fourth Precinct, 2 delegates.

Among the delegates who have announced themselves for the convention are E. C. Folkes, of First Madison; Barney Bowman, of the same precinct, and J. L. Satterfield, of Second Madison, the first two standing for an instructed delegation and the latter being a free delegate.

W. H. Mason is a candidate from First Madison, and W. P. Leaman from Fourth Madison. Jas. E. Phillips is also out from Fourth Madison. The last two are for an instructed delegation. J. Harry Lawder, Samuel L. Kelly, and A. B. Williams are also mentioned as probable candidates.

Primary Must Be Preserved, Speaker Says

The manifest determination of certain prominent politicians to attack, and, if possible, destroy the primary system at the Democratic State convention in Roanoke has aroused a storm of protest throughout the State, and many leaders in the party are preparing to take up the fight for the people, and not only defend the present method within the limits of the law, but to move to strengthen and improve it even more. So strong has this latter movement become the convention meets, though no statement has been secured from him. It is felt that Governor Swanwick is a staunch primary man, and that his influence will be used to maintain the system. Overwhelmed by the evidence that the two have been prominent in a series of more or less serious thefts which have been committed around the city, the committee decided to defend the primary.

In a statement given to this paper yesterday he says: "There should not be, and I do not intend to, any address, which I delivered to the people at the Jamestown Exposition, I am legalized, and that the State should still of that mind. I think that the committee should be connected with its operation under the restraint of the local authorities in a certain degree. Of course there should be a certain amount of local option and a wide amount of local nominations. For the nominations should be made by the people."

"Either abolish or cripple the primary system, which I think is the only way the people have now for some years to be able to elect their representatives to the State body, with one delegate for each 100 people. No changes have been made in the primary system since the time of the late Campbell county delegation to the city assigned to Henrico under the last of Richmond in view of the large number of votes to the counties and 125 to voted list:
